17 September 2025

Dear Parents/Guardians,

I would like to extend a warm welcome back to school. I hope you and your child/ward had a restful and enjoyable break.

As we progress into the final term of 2025, I seek your continued support so that we can continue to provide our children with the best possible learning experiences in a safe and conducive manner.

In this letter, I would like to share some highlights from our school events in Term 3 and important notices for the upcoming Term 4.

HIGHLIGHTS FROM TERM 3

1. NATIONAL DAY CELEBRATIONS

We commemorated our nation's 60th birthday with a series of lessons and activities. This included a flag parade executed by our Uniformed Groups (UGs) and performances by our teachers and the Choir. In addition, the game segment involving teachers, students and elderly from the community was a highlight, engaging everyone while also providing valuable knowledge about Singapore. The concert concluded with a National Day sing-a-long session, which truly elevated the celebratory atmosphere.

Beyond these celebrations, we are committed to fostering a spirit of care and compassion among our Bartleyans to help make Singapore stronger. As part of this effort, Bartleyans contributed food items for our Food Donation Drive and took part in packing these donations for our beneficiaries—a tangible way of showing our care for the community.

2. TEACHERS' DAY CELEBRATIONS

Teachers' Day is a special occasion to celebrate and appreciate our teachers. The day began with a concert in the hall, where the Student Councillors organised various fun games, and students delighted everyone with their wonderful performances. We also extended our gratitude to the non-teaching staff, acknowledging the vital role they play in our students' growth and development.

Following the concert, the Class Chairpersons led the class party segment, coordinating with other student leaders in the class to organise games and make arrangements for food. This was a good opportunity for teachers and students to enjoy themselves and strengthen their bond as a class.

NOTICES FOR TERM 4

3. COMMITMENT TO EXCELLENCE – SELF-DISCIPLINE

3.1 At Bartley, we would like to nurture our children to be self-disciplined individuals who are able to monitor and control their own behaviour. Studies have shown that students who possess a strong sense of self-discipline not only perform better academically, but also behave better, have fewer absences, and do homework more regularly than that of their less-disciplined peers.

Disciplined Learners. Principled Leaders. Compassionate Contributors.

3.2 The school rules, which can be found on the school website (<https://www.bartleysec.moe.edu.sg/school-rules-regulations/>), are meant to help our students to develop self-discipline, as well as create a conducive, safe and orderly environment in school where learning can take place effectively. Please take some time to go through the school rules with your child / ward, so that he/she can work on his/her Commitment to Excellence accordingly.

4. ATTENDANCE AND PUNCTUALITY

4.1. For students to do well in school, it is important that they attend school regularly and punctually so that they do not miss out on the lessons and teachers' instructions. Students who are absent from school are to submit the relevant documents excusing their absence on the day they return to school. Students who fail to submit the documents supporting their absence within 5 working days of their return to school may face disciplinary action. **Per year**, the school will accept up to a **maximum of 10 letters** from parents/guardians to account for their child's/ward's absence from school. Please take note that these letters are not accepted for your child's/ward's absence from School Weighted Assessments or National Examinations.

4.2. We also seek parents'/guardian's understanding that the school strongly discourages students to travel overseas during school term time except for compassionate reasons or for national representation at endorsed international competitions. If there is a critical need to travel overseas, we seek parent's/guardian's assistance to contact the school as early as possible to apply for approved absence for your child/ward.

4.3. It is also important for students to participate actively in CCA so that they have a full learning experience. We seek continued support from parents to ensure that your child comes for school and CCA regularly and punctually.

4.4. Please note that your child/ward will be considered late for school should he/she arrive at the class or assembly area after 7.45 am. He/She will be directed to report his/her attendance at the General Office. An SMS will be sent to the registered official guardian by 9.30 am on days that your child/ward is absent from school.

5. USE OF MOBILE DEVICES & PERSONAL LEARNING DEVICES IN SCHOOL

5.1. It is important that our students practise responsible use of their mobile devices and Personal Learning Devices (PLDs). We would like to highlight that students are expected to safekeep their mobile phones in their lockers during curriculum time and other school programmes, including CCA. Any use during these times must be with explicit permission from the teacher-in-charge. The PLDs are also to be used only for learning purposes. We emphasised to our students that mobile devices and PLDs should not be used for undesirable activities. We will continue to educate our students to be safe and responsible users of technology and would like to work closely with parents/guardians to manage device usage. Parents/Guardians may refer to the school webpage (<https://www.bartleysec.moe.edu.sg/acceptable-use-policy/>) for our Acceptable Use Policy (AUP) Agreement.

5.2. The digital environment is very much a part of our students' lives. As a school, we endeavour to provide a positive learning environment and encourage all our students to be positive peer influences. We seek support and assistance from parents/guardians to actively supervise and monitor your child's/ward's use of mobile devices and online platforms to ensure these are used meaningfully and healthily.

6. STUDENT DISCIPLINE UPDATE

6.1. Parents/Guardians would have received a notification titled "Stricter School Measures to Protect Your Child from Vaping" through Parent Gateway on 28 Aug 2025. The

Government has announced that there will be stronger enforcement and stricter penalties against vaping from 1 Sep 2025. MOE has also stipulated baseline (i.e., minimum) disciplinary measures for schools. We have briefed our students on the stronger nationwide enforcement and penalties against vaping as well as the school's disciplinary measures on 01 Sep 2025. The school will continue our anti-vaping education efforts through assemblies, lessons, and peer support initiatives to help students understand the serious health and legal risks of vaping.

- 6.2. The school will continue to promote the well-being of our students through guiding them to build good habits, pro-social behaviours and a sense of positivity and resilience. We also highlighted that the students should interact respectfully and graciously with one another as members of the Bartley family. We encourage parents and guardians to work with us, reiterating to our children the importance of healthy habits, respectful interactions, good values and a growth mindset.

7. KEY ACTIVITIES IN TERM 4

The key school activities scheduled for Term 4 can be found in **Annex A**. We seek your cooperation in ensuring your child/ward's participation in and preparation for the various activities the school has planned for them.

We appreciate the challenges of parenting and would like to introduce parenting resources to you. MOE has launched a parenting-focused Instagram account, [@parentingwith.moesg](https://www.instagram.com/parentingwith.moesg), as part of MOE's efforts to engage and partner parents. MOE hopes to connect with parents better via the account by sharing tips and MOE resources, celebrating the ups and downs of your parenting journey, and growing with you as a community by inspiring and supporting each other through shared experiences. Do follow the account, share your experiences and invite your parent friends into this community. You may also find more useful parenting resources through MOE Parent Kit available at <https://www.moe.gov.sg/parentkit>.
