Dear Parents / Guardians,

Greetings from Bartley Secondary School! I hope that you and your child have had an meaningful break.

The focus for the last school term (Term 2) continued to be about establishing a disciplined and vibrant school tone to nurture Bartleyans as Disciplined Learners, Principled Leaders and Compassionate Contributors. It gives me great pleasure to share with you that Bartleyans have been observed to demonstrate good attitude towards learning and have shown the determination to succeed in their endeavours. We want to continue to build on their positivity and nurture them to achieve their personal best.

Our Sec 1 students started the term with the Outdoor Adventure Learning Camp from 24 to 26 Mar 2026 which enabled them to further develop their social-emotional competencies and forge stronger bonds with peers. Sec 1 students also received their Personal Learning Devices (PLD) on 7 April 2026. Our graduating cohort of students also handed their leadership baton to their juniors at the CCA Passing Out on 16 Apr 2026, a significant milestone in their journey at Bartley Sec. As part of the school's effort to promote healthy living, the school continued with Bartley Run and monthly Fruity Friday this year. We are grateful for the support provided by the parents in our Parent Support Group in these two initiatives and the event was well-received by the students. The school will be organising more Fruity Days in Semester 2 and I hope more parents can come forward to support the event.

In this letter, I would like to provide you with some updates on our school events in Term 2 as well as important notices for the upcoming Term 3.

4. **CORE EXPERIENCE WEEK**

4.1. The school initiated CORE Experience Week this year, bringing together a variety of workshops and learning journeys with our Craft & Curiosity Carnival for Bartleyans to experience joy of learning on 25, 26 & 28 May 2026. We are grateful for the support our alumni members and parents who came to conduct workshops for our students on 25 May 2026. We are even more delighted to see a number of Sec 2 students take lead to share their Student-Initiated Learning and ALP coding projects with their peers. This showcased the capability and creativity of our Sec 2 student presenters.

4.2. On 26 May 2026, the school held our Craft & Curiosity Carnival. This school-wide event brought together our Sec 1 to 3 students for a meaningful day of joyful learning, creativity, and collaboration beyond the classroom. The carnival successfully provided student development experiences that brought our school values to life. Through sub-activities like the Amazing Race, featuring themed subject booths hosted by different departments, students put knowledge into action to solve challenges using knowledge they have acquired in class and beyond. Secondary 3 students took up the challenge of designing and facilitating the Carnival Games, which allowed them to build confidence and student agency. Beyond developing Critical, Adaptive, and Inventive Thinking, the festival served as a wonderful platform to strengthen teacher-student relationships and peer bonding. Every group challenge and completed carnival card directly contributed to class participation awards, reinforcing team spirit and giving every student a clear sense of belonging within a caring community. It was a vibrant morning of authentic learning, problem-solving, and shared pride for the whole BSS community!

4.3. We had more partners coming forward to lend support to the last day of CORE Experience Week on 28 May 2026 through workshops, talks and learning journeys for our students. Sec 3 students had dialogues with professionals from different fields, ranging from cybersecurity, research start-ups to film production, as well as the chance to visit different companies such as Amara Hotel, Bachy Soletanche Singapore and Land Transport Authority, as part of career guidance.

NOTICES FOR TERM 3

5. **COMMITMENT TO EXCELLENCE – SELF-DISCIPLINE**

5.1. The school rules, which can be found on the school website (<https://www.bartleysec.moe.edu.sg/information/students/school-rules-n-regulations/>), are meant to help our students develop self-discipline, as well as create a conducive, safe and orderly environment in school where learning can take place effectively. Please take some time to go through the school rules with your child/ward, so that he/she can work on his/her commitment to Excellence accordingly.

5.2. To nurture our students as Disciplined Learners, the school has started the “Homework Club”, an after-school programme to provide structured time for students who are frequently experiencing difficulties with timely homework submission. Your child/ward will be placed in ‘Homework Club’ with on-site teacher supervision on either Mondays (3.15pm to 4.45pm) or Tuesdays or Wednesdays (3.30pm to 5.00pm). You will be notified by your child’s/ward’s subject teacher if he/she is required to attend this after-school programme.

6. **ATTENDANCE AND PUNCTUALITY**

6.1. For students to do well in school and future, it is important that they attend school regularly and punctually so that they do not miss out on the lessons and teachers’ instructions. Students who are absent from school are to submit the relevant document(s) excusing their absence on the day they return to school. Students who fail to submit the document(s) supporting their absence within 5 working days of their return to school may face disciplinary action. **Per year**, the school will accept up to a **maximum of 10 letters** from parents/guardians to account for their child’s/ward’s absence from school. Please take note that these letters are not accepted for your child’s/ward’s absence from School Weighted Assessments or National Examinations.

6.2. It is also important for students to participate actively in CCA so that they have a full learning experience. We seek continued support from parents to ensure that your child comes for school and CCA regularly and punctually.

6.3. Please note that your child/ward will be considered late for school should he/she arrive at the class or assembly area after 7.45 am. He/She will be directed to report his/her attendance at the General Office. An SMS will be sent to the registered official guardian by 9.30 am on days that your child/ward is absent from school.

7. **STUDENT WELL-BEING AND DEVELOPING GOOD HABITS**

7.1. We will continue to promote the well-being of our students through guiding them to build a sense of positivity and resilience. We also highlighted that the students should interact respectfully and graciously with one another as members of the Bartley family. We encourage parents to work with us, reiterating to our children the importance of healthy habits, respectful interactions and a growth mindset.

7.2. It is also important that our students practise responsible use of their mobile devices and Personal Learning Devices (PLDs). We would like to highlight that students must keep away mobile phones during curriculum time and other school programmes, including CCA. Any use during these times must be with explicit permission from the teacher-in-charge. Disciplinary consequences will be meted out if they do not follow the school's expectations about storing away their mobile phones. The PLDs are also to be used only for learning purposes. We have emphasised to our students that mobile devices and PLDs should not be used for undesirable activities. We will continue to educate our students to be safe and responsible users of technology and would like to work closely with parents/guardians to manage device usage. Parents/Guardians could refer to the school webpage (<https://www.bartleysec.moe.edu.sg/acceptable-use-policy/>) for our Acceptable Use Policy (AUP) Agreement.

7.3. The digital environment is very much a part of our students' lives. As a school, we endeavour to provide a positive learning environment and encourage all our students to be positive peer influences. learning and mastery. We seek your assistance and support to ensure that your child/ward attends school regularly to minimise disruption to his/her learning.

10.2. If a student is unwell on the day of an assessment, he/she has to consult a doctor and get a medical certificate, indicating the diagnosis and that the student is unfit for the assessment. The medical certificate must be submitted to the Form Teacher immediately when the student returns to school. Upon receipt of the medical certificate, the status of the assessment grade will be reflected as "MC". Proration of marks, based on the other weighted assessments for the year, will be computed and reflected in the progress report accordingly.
